“ *Apostle David Wells, I first met him as a prophet of God. He looked at me with a friendly smile and said how are you doing Woman of God. He acknowledged me as a Woman of God every time I was privileged to be in his presence. And he didn't forget the friendly smile. One-time working in his ministry, he call me to the altar and said God sent him to give me boldness and I received it by faith. And it is evidence in my life. I will miss Apostle Wells, but always remember him because he acknowledged the God in me. Peace be with the family! Much Love Minister Janice Davis*
