“ *My sincere condolences to the family- I am the care aide Angie that had the most wonderful privilege of working with her for over 2yrs. I will truly, truly miss her. She was my early morning client and we looked forward to seeing each other. Even though I know she is resting in the arms of Jesus- my heart is heavy because this will be a total miss to me. My sincere prayers are with and for the family. Remember this- Earth has no sorrow that heaven can not heal- and I know that He will heal me.*
