Feels like a part of my history is gone. He had a great sense of humor and was full of kindness. I will always remember him, the orange smashes, and the strawberry sundaes he gave as a treat to me and Cookie.

“ My dad was always loving and kind to me. Though we never lived in the same space, he made me feel loved. He didn't mind me interrupting his day or plans when I would show up in NC. As a child, I noticed though my grandfather wasn't fond of him and tried to keep me away from him, he never let that hinder him from, not only making sure he found a way to see me, but he made sure I knew his side of the family. He will be missed! I will miss him saying "hello sweetheart" when I called or he came to visit me while I visiting in NC. Thank you for coming to NJ and escorting me down the aisle on my wedding day! I will always love you!
