“ I met Ms. Del when I moved here in Kearney Park. As we got to know each other, she told me that she said to herself, "Me and that girl gonna become good friends." We became good friends, and she was just like a mother to me. We spent time together. We went places together. I will truly miss her. My prayers go out to you and your family. I loved Ms. Del like she was my mother.

“ I did Ms. Del's hair by giving her relaxers. We would talk and laugh about life. She would share the good old times as I did her hair. She LOVED her family and loved her some Peggy and BJ! Lol I will miss her greatly, but I know that she is resting in God's loving arms, free from all pain and strife. Ms. Peggy and family, I pray that God's healing power brings strength, comfort, and peace to your hearts from this day forward. @--}--- Venus Curry

“ *To know Del was to love her, she gave it to you straight with no chaser, never ask her a question unless you were ready to handle the truth. I am thankful for her support she gave me with our lil one as well as for me. I love this family as my own and I always will SIP Del.*

“ A beautiful Lady. A humble Lady. I remember Sis & I listening to her talk. She would have us laughing to tears & she would still be looking so serious.....then all of a sudden she'll crack open that beautiful smile. Love her love of God, wisdom & wittiness mixed with so much humor & a little sarcasm....
