“ *To Ted and all of Jean's family.....Richard and I are so sorry to hear of Jean's passing. Even though we have not seen Jean very much through the years, we still consider her a dear friend. She was a special person...her laughing eyes, her big smile that would make you smile, and boy could she talk in high school. Our pajama parties were so much fun...staying up all night, trying to hide from our chaperone when we smoked a cigarette and of course, let's not forget swimming in the Pamlico River. Richard and I are not going to be able to attend her services today due to old age physical problems, but our thoughts and hearts will be there. We know it'll be hard for all of you in the upcoming days, just remember you'll see her again someday. We send our love.....Richard and Blake*

“ To Jean's Family: I am sorry to hear of Jean's passing. Jean, Ted and I went to high school together in Washington and I well remember attending Sunday night get-togethers at the Attmore home in Washington Park. Many years later, my son, Jay Bright, and Jean's boys went to school together in Greenville. Didn't see the Halls much, but remember them fondly. My sincerest sympathy to the family. Rest in peace dear Jean. Katherine Phelps Prescott, graduated WHS 1961.
