“ Dear Ellison Family:
I will never forget Ms. Penny. She was a wonderful presence in this world and she will be sorely missed! Every December I always looked forward to receiving a Christmas Card from her. That's the type of person she was, kind and thoughtful. I pray that the Lord will continue to bless you through her. I lift all of you up in prayer and I encourage you to be strong in the Lord and in the power of his might. He over came death and rose from the dead and we have a blessed hope that one day we will see him in his glory and we will see our loved ones that went on before us. Rest assured that you will see her again! I thank God for her life and her legacy. God bless all of you.
