“ To the Jackson and Hammond Family Members,
Please accept my sincere condolences. I along with several others just discovered the passing of our dear Sorority Sister Margaret. In reading her obit, it states that Margaret "touched many lives and was committed to being in service to others." Well, she touched the lives of her Alpha Phi Chapter (North Carolina A&TState University) Alpha Kappa Alpha Sorority Sisters. Margaret served as Chapter president when I was initiated. She was a kind soul and outstanding leader. Sending prayers for continued comfort. Blessings and Love,
Demetria Tucker

My wife, Peggy LeBlanc, was both a personal friend and a professional colleague of Margaret. Peggy often spoke fondly of her. Peggy worked with Margaret on a number of cases. They both championed the underprivileged and worked for social fairness. Peggy was very concerned when she learned of Margaret's illness and attempted to find out more to assist in some way. Sadly Peggy died seven months ago so she never learned of Margaret's passing. My condolences to Margaret's family.

Margaret was my sweet Auntie. I did not even know that she passed until today 12/26/21. I'm very sadden by this news. I'm even more sad that not one member of my family had the decency to let me know that my dad's baby sister died. RIP Aunt Margaret. YOU WERE LOVED!!!!

Margaret, you were brilliant at your craft and you restored my confidence and determination at a very low point in my professional career. Your advice and tireless efforts resulted in victory for me and my family in several ways, and I am so honored and thankful that you saw fit to call me shortly before you passed away after we had not spoken in several years. Forgive me for losing touch with you, but you were always in my thoughts and prayers. Love-David and Tanja Soublet
