“ *Praying for you all. My sincere thanks for all she did for me and for the wonderful spirit that God blessed her with while here on this earth. "Ms. Note" was such a shining star and will be greatly missed. I loved the talks she and I had and our time together. Praying for the strength of the the Supreme Comforter for you all, because it's all in His hands. Praying each of you can put it all in His hands. My love to you all. Bonners Lane is almost nothing but memories now, but good memories. I am celebrating her life well lived. Earth knows no sorrow that heaven cannot heal. In my imagination, I can see her now, no longer dancing in her seat, but dancing on her feet, with her love.*

“ Mrs. Early would always say, "Tell that girl she better come and see me ". I thank God for this awesome woman of God. I kept my word to her. What a matriarch she was. I thrive to be as awesome as she. Loved her family. You got your wings now. So just soar in heaven as you did here on earth. You are truly missed! Woman of God!

Please forgive me for the lateness of this condolence. I knew something wasn't right when I tried to call her this past week to let her know that my brother had passed away. The phone wouldn't ring, it just hung up. I said to myself "I hope I'm wrong, but I'm going to check Flanagan's website just to see" and hers was the first obituary I saw. I send my most heartfelt condolences because the Earlys & my family go waaayyy back. From Joanne & Precious Jernigan (daughter & granddaughter of Ruth & EasyBaby Jernigan), Norfolk, VA
