“ To Note, Mike & the Early & Wooten family. Please accept our most heartfelt condolences. My family & the Early family go a long ways back being that Larry Sr. & Daniel were best friends with my dad "Easy Baby", Note & my mother Ruth were best friends, Note went to school with my aunt Laura, & if my memory serves me right I think I heard my mother say that Miss Rena went to school with my maternal grandmother Rosa Lee Carney Ward. Once again prayers & condolences to the family. From Joanne & Precious Jernigan, Norfolk, VA

“ This young lady was my childhood friend whom I thoroughly enjoyed being friends with. She and I and about five other young ladies hung out together all the time. Her Grandmother on her father side was my next door neighbor and the neighborhood watch. For the past few weeks I have been thinking much about her and had planned to go to see her. It never happen, now I have to wait until I cross over to see her.
