

## Mr. Robert Earl Jones Jr.

August 5, 1952 - August 21, 2021

Robert Earl Jones Jr., 69, passed away Sunday August 21, 2021 with his family by his side.

Robert was born on August 5, 1952 to the late Robert E. Jones, Sr. and late Geneva T. Jones, in Rome, New York. Although he was a military dependent, living in diverse places, including Germany and Alaska, most of his childhood and early adulthood, he resided in Somerset, New Jersey. As a teenager, he was active in church and participated in a mission trip to Haiti. While in the Army, he spent most of his time in Germany. He married, fathered five children, and worked at the Veterans Administration Hospital, until retirement in the early 2000s.

Robert was a genuine and passionate entrepreneur, who enjoyed photography, bowling, communications technology, and especially driving. He used that passion for driving to help others. After retirement, he committed to this purpose fully. It has been jokingly said that he was the creator of Uber, as he found ways to provide transportation services to those in need; including courier, medical, leisure, and business.

Robert loved his family greatly, never stopped dreaming and encouraged others to do the same.
