“ Our sincerest condolences to Ms. Ruby's family. My husband and I knew her from our visits to the Dr. Jones' dental practice. We sent the office an invitation to our wedding in 1974 and every time we had an appointment, Ruby would pull it from the files to show us. It had a photo of us on the front that was typical of the more relaxed invites from the era. More recently I would ask what day Ruby would be in the office so that I could schedule an appointment for that day. She was the most caring soul and had a smile that would light up the room. We will miss her terribly! Marlene and Buzz Guroff

“ We send our condolences to the family of Ruby Jean Holton. We knew her through the dental practices Ruby served so well. We always appreciated her welcoming way, her kindness and her efficiency in her work. Ken met Ruby when he first visited Dr. Paul Jones' in 1978, and Camille met Ruby in 2000 when she began seeing Dr. Paul Jones. We continue with Smile Beautiful Dental, seeing Drs. Dan Jones and Justin Jones. We always enjoyed greeting Ruby when we came for dental appointments and will miss her.

“ It took me a while to come to terms with writing this because Miss Ruby is one of those people who, even though we know the circle of life, we never expect them to leave this Earth. Miss Ruby was special and will forever be a special person to have come into my life. Miss Ruby was such a woman of class and someone I admired and looked up to. Her warmth and welcoming spirit, the way she cared for others and took her job very seriously, while still finding joy in life. Miss Ruby will be missed by so many. I love you. May your beautiful soul rest in peace as you join the other angels in heaven.

“ *Miss Ruby was a wonderful, welcoming and caring person. Always a delight when I would come to visit Dr. Paul, then Dr. Dan in my 35 years living in DC.*

*One day about 20 years ago I fell flat on my face with my front tooth implant hitting the concrete. Ruby got me in to see Dr. Dan ASAP. When I arrived at the office, she brought me ice packs for my swelling mouth and black eye and sat with me holding my hand. A great comfort*

“ My husband Lloyd and I were so saddened to learn of Ruby's Passing. My ENTIRE family were patients of Dr. Daniel Jones Sr (father) and then his son "Dr.Dan". Ruby was the CONSTANT in that practice since I was a teenager! (1970's and 80's)..She always gave service with a SMILE, Laughter and Genuine Concern...She always asked about my Mother (Jean Johnson now deceased) and my dad Edward Johnson. It was a Joy to know Ruby all those years! May the Spirit of Comfort rest with the Family during this difficult time. Know we are praying your Strength in the days to come. With Heartfelt Sympathy, Lloyd and Karen "Johnson" Pernell.

“ My sincere condolences to Ruby's family and the staff at Smile Beautiful. May you feel the presence of the Holy Spirit comforting you as you grieve your beloved. I first met Ruby in the 1980s. From my initial phone call to make an appointment, I felt Ruby's warm and compassionate smile even over the phone. Ruby was always professional and courteous. She always greeted me with a smile and often took time to chat with me showing concern about my well-being. She was a delightful person who made others feel comfortable during visits to the dentist office. I know Ruby will be missed by those who knew and loved her. Peace and comfort to all!

*What a joy, Ruby. She always uplifted my spirit on each visit. Knowing her for at least 30 years. Our brief conversations about God and family will be cherished eternally. She will be sorely missed. I wonder what she and Dr. Paul Jones are talking about in the presence of our Savior, Jesus Christ. Shalom-Davis*
