*Trina was the first person I met when I started working at Pltt County Detention center. We started the same time. Trina gave me a lift to do the paperwork because I kept getting lost. We had lunch afterwards and I left my debt card in my car. We always had a good laugh that she picked up the tab the first day we met! You don't find that kind of kindness in this world often. She was Very fun to be around. I will never forget her and she was always a loving daughter, mom, grandma and friend. She was known at PCDC as MaMa Tee and I will always remember her as my friend!*

“ I was blessed to reconnect with Trina and her daughter Nikki at Fort Hood. It was wonderful to have someone from home close by. Trina was a good friend, hostess, road warrior as well as the most squared away soldier I've ever met. We spent many hours driving back home and at each other's homes. She truly loved her family and the military. Over the years she became a Grandmother and I know her love for them was second only to her love for the Lord. I will miss her and pray for the comforting ministry of the Holy Spirit for her family and friends. I know Trina is in the presence of our Lord and Saviour today. May she rest in peace knowing she ran her race with dignity and honor. My sincere condolences to her dear Mother, Joyce, her daughter, Nikki and precious Grandchildren.

Trina was one of a kind. A smile and caring spirit that always made you at ease and comfortable in her present. You could see the Love for her daughter and grandchildren in her eyes. She loved her mother and brothers and she was the apple of her dad's eye. She will be missed in many ways.

“ It was such a joy to meet Trina Norfleet, and her beautiful daughter Nikki. Why serving in the military in Virginia. I was blessed to meet SFC Trina Norfleet through a dear friend SFC Clara Griffin and her family. Trina had a Heart of gold, but she would definitely let you know what was on her mind. Always had that beautiful smile and was honest to a fault. Always kept us laughing even in the hard times she would always be a motivator. She loves her beautiful family and I know that you guys will have laughter for the rest of your life in remembrance of her. I know she will be singing and laughing around heaven All Day. I do recall her saying that Aretha Franklin was her cousin, 😊 and I know you love some riri. Most importantly Trina you gave everything your hundred percent and when you gave your life to the Lord, once again you gave it your all. You are saved and will be with our heavenly father until we all meet again. Surely missed, but heaven must have been missing an angel. Prayers love and condolences to the family and we love you all. And thanks so much for sharing Trina norfleet with all of us. 🎀🎀

“ One day while at work in the McGuire in Richmond, Virginia, I heard a client being called for services. The named that was celled was Trina Norfleet. I instantly jump up and said, WHO. And when I stood I realized it really was her, Trina, my cousin. It was so good to see a family member who I had not seen in a long time. Some years later we connected on FB and once again enjoyed each other's company. She was once wearing a shirt that I complimented her on, next thing I knew she was asking for my address to send me one. My birthday was August 1 and hers was August 2. I miss her communications on FB. Rest on my cousin until we meet again. I love you!

I had the pleasure of meeting Trina and her beautiful daughter in Virginia. Trina would always keep a smile on our faces, if she was upset about something you would know it and she would say it in a good respectful way. Always 100% soldier and went on to serve the people more as a police officer in her hometown. Trina we will always remember the good times we had and you gave it all a hundred percent. When you gave your life to the Lord a hundred percent. We all learn a lot from you and praying for your beautiful family, and I know they are laughing at a lot of things right now because of you. Yes we are sad, but we know that you was ready. Rest in heavenly peace Trina and I know y'all going to be dancing and laughing around heaven All Day. I know you always love Aretha Franklin your cousin.. LOL. I want to thank SFC Clara Griffin and family without her I would have never met one of God's great creations SFC Trina Norfleet. My love and prayers to your mother your family daughter and grandkids, I know you gave them a lifetime of love and remembrance. 🎀🎀

“ *When I first met" MAMA T" all she talked about was the Army and "First Squad", aka her grandchildren. Her kind spirit was infectious and spread quickly. I befriended her at as a co-worker at the detention center in Greenville and our friendship stayed glued although she never stopped talking about her grandchildren aka "First Squad". She will be missed by me. Now she can march for a eternity in heaven.*
