“ The Board of Directors of the GI-C M Eppes High School Alumni Association, Inc. and its entire membership forward this heartfelt message of condolence to the Jones, Smith and Dupree families at the passing of Sister Vera. Our hearts are heavy with yours.

*Down through the years there was no one more supportive of this organization than Vera. We could count on her attending as many activities of the Association as she possibly could. We will miss her comforting smile.*

*Much love flowed from this sister and she will be remembered as being small in stature, but having a large heart. He used tenacity and grit to deal with her illness.*

*It is written that: “Weeping may endure for a night, but joy comes in the morning.” We find comfort in knowing that Vera is at rest, not having to concern herself with earthly situations and circumstances anymore. No more pain or sorrow because God has wiped all tears away.*

*Earth has no sorrow that Heaven cannot heal. Be strong in your faith and please call on us as you deem necessary for assistance. May God richly bless each of you with His healing comfort.*

*James Harper, Jr.  
National President*
