“ *To the family,
I was so very sorry to learn about of the passing of Mr. Tac. He was such a kind man and a loving father. He always made me feel welcomed in their home. I spent a lot of time there as a child because when we first moved to North River Estates my mom decided to send me to private school so I attended St. Gabriel with Mitzi and Crystal. I rode to school with them in the mornings and back home in the afternoons. I stayed at the Dillards until my parents got home from work. I felt like a part of the family. May GOD grant you the PEACE that surpasses all understanding during this most difficult time. Tac you may be gone but you certainly will not be forgotten.*

*Love,
