“ Praying for the family! Breeze it was such a pleasure to work with you for many years at Proctor & Gamble. You were known as the "overtime man." You always had good stories about what you cooked on the grill the night before and your constant cleaning of the Harley that you kept in your living room. Rest in Peace!

“ You been a dad to me for over 30+ years. You never called me anything different than your daughter. You made your self known in my life and your grandkids lives. Your "bad baby" is missing you, your "talking baby" is missing you, and your "lil willam" missing you. It hurts not seeing and talking to you dad. I love you. Thank you for our memories.
